

How can we help?

- ◆ **Paws for Health** matches cats with senior citizens for companionship.

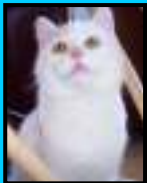

Studies have shown that pet owners are less likely to be depressed, better able to tolerate social isolation, more active, and demonstrate significantly reduced levels of risk for cardiovascular disease. This is a win-win situation. Seniors get a new best friend and the cats get a new loving home!

- ◆ **People & Paws** provides cat care for those who temporarily cannot care for their feline friends due to health, family, economic, or relocation issues. Because of this program, cat owners do not have to give up their beloved pet in the face of an emergency or crisis.

- ◆ **Paws to Care** provides spay and neutering monetary assistance for felines participating in People & Paws and Paws for Health. When

funds are available from this program Purrfect Paws provides spay and neuter monetary assistance for felines in the community.

What sets us apart from other shelters?

- ◆ Our cats **live in a home** that has been approved by the State of Kansas as an official animal shelter. The cats receive exceptional care, socialization, and love in a real home environment.

We love playing with our toys!

- ◆ In addition to receiving conventional veterinary care, our cats are treated with **holistic and alternative therapies**, such as flower essences, Reiki energy healing treatments, homeopathy, pet intuitive readings, massage, emotional freedom techniques, and mind-body consultations to improve their emotional and physical health and behavior.

Our Reiki treatments are "purrfect".

- ◆ Our cats enjoy a diet of **premium all-natural cat food**.
- ◆ Our cats are examined by a veterinarian, tested for FeLV/FIV, vaccinated, and spayed/neutered.

Come visit and meet our delightful felines looking for a forever home!

Relaxing is one of our most popular activities!

We need Volunteers

Apply to be a Volunteer by contacting **Jinna Long** at 785-494-8480 or email purrfectpaws@wamego.net; or fill out a printable application at www.purrfectpawskansas.org.
